

Susan Dwyer

Susan is the founder of Rise Up, Ireland's leading network for emerging female leaders in Ireland. Since starting Rise Up in 2020, Susan regularly delivers inspiring and practical talks to empower men & women on their leadership journey and to promote the importance of gender equality at work.

Susan has been featured for her work on supporting women in the workplace across RTE, The Sunday Times, Image Magazine and The Business Post.

Susan is often celebrated for her empowering, actionable presentations that take a more holistic approach to professional development.
